Occupational Therapist

KIN-DIR Education Foundation is a not-for-profit, Alberta Education approved, private ECS operator in Calgary and area. We screen, assess, and treat developmental delays and disabilities in children 2 years 8 months old to kindergarten age. Our team consists of therapists (Speech Language Pathologists, Occupational Therapists, Physiotherapists, Psychologists) and educators specializing in early childhood development. We also work with families regarding challenging behaviors, developmental tasks, and positive parenting. The services are provided in a variety of settings such as preschools, daycares and in-home.

We are looking for a full-time (1.0 FTE) Occupational Therapist to join our team for the school year 2022-2023. This position is a maternity leave replacement. He/she will be responsible for providing screening, assessment, and intervention services to preschool aged children within Kin-Dir Education Foundation programs who present with difficulties in the following areas which may include but not limited to:

- fine motor
- visual motor/visual perception
- play
- self-help skills (toileting, eating/feeding, dressing, daily routines and transitions)
- sensory processing/self-regulation
- positioning/seating

Qualifications:

- Graduate of an accredited occupational therapy program and an active registrant of Alberta College of Occupational Therapy (ACOT)
- Comfortable working in a variety of settings, family & foster homes, and driving in and around Calgary and area
- Comfortable with evening work (at least one evening a week)
- Valid Driver's Licence (mileage is reimbursed at the current CRA mileage rate)
- Current Police Information Check with Vulnerable Sector Search Disclosure
- Clear Intervention Record Check
- Current Child Care First Aid and CPR
- Exceptional organizational and time-management skills
- Excellent written and verbal communication skills
- Flexible and adaptable to a changing work environment and operational needs of the program
- Able to work and collaborate within a team, and able to take initiative and work independently
- Able to remain objective and empathetic about situations
- Basic computer skills and basic knowledge of Board Maker, virtual meeting applications, cloud storage (ex. Google Drive) and MS Office 365 suite
- Related work experience with special needs children an asset
